MEMORANDUM FOR: Project Director of Operations

SUBJECT : Attached Memorandum from Project Security Officer
re SAC Training Mission Flights

1. In view of the fact that we in Administration have no direct information on future planning of training flights at Watertown Strip, I would like to pass on to you [redacted] request, attached.

2. I do support his suggestion that certain field personnel of the Office of Security, whose areas lie within the projected training flight plan, be alerted in order that they might provide support in the event of some unusual occurrence.

3. Would you be good enough to reply to [redacted] through this office at your earliest convenience.

JAMES A. CUMMINGS, JR.
Director of Administration
PCS/DCI
